### **Proposed Experience Regulations Adopted**

(Lincoln, NE, December 9, 2013) The Nebraska State Board of Public Accountancy has been notified proposed regulations within NAC Title 288, Chapter 7 have been adopted by the Nebraska Secretary of State's Office. The proposed regulations were previously submitted to the Attorney General's Office and the Governor's Policy Research Office for review and approval.

The regulations were drafted and proposed by the Board after review and discussion with the Experience Work Group and after a public hearing. The Work Group was formed in 2010 by the Board including members of Nebraska Society of CPAs leadership and other interested parties to review and discuss the current experience requirements to become a CPA in Nebraska.

Experience requirements were amended earlier this year when LB 27 was passed by the Nebraska Legislature and signed into law by Governor Dave Heineman. The new regulations will assist the Board in applying LB 27 provisions.
